

CMaT  
Cell Manufacturing Technologies

NSF Engineering Research Center for **Cell Manufacturing Technologies (CMaT)**  
Agenda for Year Two Site Visit

**Lead University**  
Georgia Institute of Technology

**Partner Universities**  
University of Georgia, University of Wisconsin-Madison, University of Puerto Rico at Mayaguez  
University of Pennsylvania, Emory University, Gladstone Institutes, Michigan Tech, University of Oregon  
CCRM – Toronto, National University of Ireland Galway, Osaka University

*All meetings will take place at the Marcus Nanotechnology Building  
Room 1116-1118 – Georgia Tech, Atlanta, GA*

**Sunday, February 24**

6:00pm Dinner at \_\_\_\_\_ location

**Monday, February 25**

6:50 Van departs from hotel with site visit team (SVT)

7:00-7:30 Breakfast

7:30-7:45 Welcome and site visit team introductions (President Peterson and Council of Deans)

7:45-8:30 Director's overview (35' + 10' Q/A) (Krish + Johnna)

8:30-8:45 Break

8:45-10:30 Research program by Thrusts with Testbed updates included

8:45-9:00 Research Program Strategic Plan and Key Accomplishments in Y1 (10' + 5' Q/A)

9:00-9:30 Thrust 1 (10' overview + 10' deeper dive of 1 project + 10' questions)

9:30-10:00 Thrust 2 (10' overview + 10' deeper dive of 1 project + 10' questions)

10:00-10:30 Thrust 3 (10' overview + 10' deeper dive of 1 project + 10' questions)

10:30-10:45 Break

10:45-11:30 NSF SVT Executive Session #1

11:30-12:20 Lunch

12:20-1:05 Poster session

1:05-1:20 GMP facility tour

1:30-2:00 Innovation Ecosystem (20' + 10' questions) (Carl Rust)

2:00-2:30 Private meeting with industry partners

2:30-2:45 Break

2:45-3:15 Engineering Workforce Development (20' + 10' questions)

3:15-3:45 Diversity and Inclusion (20' + 10' questions)

3:45-4:05 Assessment (15' + 5' questions) (Lizanne Destefano)

4:05-4:20 Break

4:20-4:35 SLC presentation (10' + 5' questions) (Katie Mueller)

4:45-5:15 Private meeting with CMat ERC students

5:15-6:15 NSF SVT Executive Session #2

6:15-6:30 NSF SVT: Delivery of Overnight Questions to CMat Leadership Team

6:30 Van departs to take NSF SVT to hotel

**Tuesday, February 26**

7:15 Van departs from hotel with the site visit team

7:30-8:30 NSF SVT - Breakfast with Deans

8:30-9:30 Response presentations for the overnight questions

9:30-4:00 NSF SVT – report writing
