

TERMIS-AM (Tissue Engineering and Regenerative Medicine International Society)

Nov 9-12, 2025

Detroit, MI

TERMIS = Tissue Engineering & Regenerative Medicine International Society

<https://termis.org/chapter-meetings/3>

ISCT 2025 (International Society for Cell & Gene Therapy)

May 7-10, 2025

New Orleans, LA

ISCT = International Society for Cell & Gene Therapy

<https://www.isctglobal.org/events/event-description?CalendarEventKey=764c04a3-27aa-43b9-9036-018734cd3141>

5th Cell Therapies and Immunotherapy Conference (AICHE)

Oct 28-30, 2024

San Diego, CA

<https://www.aiche.org/sbe/conferences/cell-therapies-and-immunotherapy-conference/2024>

Abstract deadline: 7/12/24

BMES (Biomedical Engineering Society)

Oct 23-26, 2024

Baltimore, MD

<https://www.bmes.org/bmes2024>

Late breaking abstracts: 7/26/24

BMES CMBE (Cell and Molecular Bioengineering), "Cell Engineering for Mechanomedicine and Rejuvenation"

Jan 3-6, 2025

Carlsbad, CA

<https://www.bmes.org/cmbe2025>

Abstract deadline: 9/12/24

ASGCT (American Society of Gene + Cell Therapy)

May 13-17, 2025

New Orleans, LA

<https://www.asgct.org/annual-meeting/future-annual-meetings>

GRC (Gordon Research Conference), Biomaterials and Tissue Engineering

July 27-Aug 1, 2025

Barcelona, Spain

<https://www.grc.org/biomaterials-and-tissue-engineering-conference/2025/>

Registration deadline: 6/29/25

SBE (Society for Biological Engineering), Translational Medicine

Oct 27-28, 2024

San Diego, CA

<https://www.aiche.org/sbe/conferences/translational-medicine-and-bioengineering-conference/2024>

Abstract deadline: 7/16/24

Society for Neuroscience

Oct 5-9, 2024

Chicago, IL

<https://www.sfn.org/meetings/neuroscience-2024>

Society for Biomaterials

April 9-12, 2025

Chicago, IL

<https://biomaterials.org/events/2025-society-biomaterials-annual-meeting-exposition>

ISSCR 2025 (International Society for Stem Cell Research)

June 11-14, 2025

Hong Kong

<https://www.isscr2025.org/>

Abstract Deadline: 1/21/25

ISSCR Symposium (International Society for Stem Cell Research)

Oct 9-10, 2025

Seattle, WA

<https://www.isscr.org/upcoming-programs/2025-seattle-international-symposium>

Other potential conferences of interest:

Gordon Research Conference Immunoengineering Winter 2026 (date TBD)

Gordon Research Conference Advanced Cell & Tissue Biomanufacturing summer 2025 (date TBD)

ECI (Engineering Conferences International), Advanced Cell Manufacturing Winter 2026 (TBD)
